

Dear Ninja Family,

The safety of our ninjas and their families is of the utmost importance to us. At this time masks are not required, but are always welcome.

**If you or any member of your family is experiencing symptoms or has come into contact or thinks they may have come into contact with a possible COVID-19 positive individual, please do not come to the gym.**

#### **Enhanced Gym Hygiene:**

The cleanliness of our gym has always been a top priority for us. We have enhanced our existing protocols with additional steps and materials.

We are using **Mat Attack** spray between all the classes to disinfect the equipment. **Mat Attack** is a disinfecting spray that kills bacteria, viruses, and fungi without harsh chemicals like alcohol or bleach. It is approved by the EPA and is listed on the CDC website as being effective against the COVID-19 virus.

After each class we will spray down the equipment and let the spray dry. Classes will be spaced out over the day to allow for this treatment. The front area of the gym will also be treated between each class, as well as the bathrooms.

#### **Classes:**

- **We are now offering classes for ages 4-17.**
- Students will be asked to bring their own filled water bottle to class. There will not be access to the water fountains, but we do have a refillable water machine if more water is needed. Water bottles are available for purchase.
- We are continuing to open our lobby door 5 minutes prior to class to allow for cleaning protocols.
- Upon arrival each student will have to wash their hands or apply hand sanitizer that we will provide.
- If parents wish for their child to wear a protective mask, we support and allow that, but it is not required.
- We will be focusing on getting kids physically active and boosting their confidence while having fun!

#### **Coaches/Staff:**

All USANC Staff will be asked prior to their shift if they are experiencing fever, cough, and difficulty breathing. Anyone with a fever will not be permitted to work.

#### **How to sign up for the Reopening Classes:**

Please call to enroll your child ahead of time for the day and time of your choice. Classes are based on a first come, first serve basis.
