

Dear Ninja Family,

As Utah starts to reopen, we want to provide you with information as to the future reopening of USA Ninja Challenge Murray on Tuesday, May 12th.

Governor Herbert recently formed the “Utah Leads Together Plans.” This task force provides some of the requirements and guidelines for us to open the gym for ninja classes. The safety of our ninja family is most important to us. In reviewing the task force guidelines and in consultation with other fitness gym leaders, we have developed a protocol that will allow us to offer limited classes.

The most important part of this protocol is your cooperation. **If you or any member of your family is experiencing symptoms or has come into contact or thinks they may have come into contact with a possible COVID-19 positive individual, please do not come to the gym.**

Enhanced Gym Hygiene:

The cleanliness of our gym has always been a top priority for us. We have enhanced our existing protocols with additional steps and materials. The gym has been vacant since we closed on March 15th . The gym and front area were wiped down with disinfectants at that time. We will also wipe down and spray the gym again before we reopen.

We are using Clear Gear spray before our official reopen date and will use Clear Gear spray between all the classes to disinfect the equipment. It is used by many NFL, MLB, and NCAA teams in their training facilities. Clear Gear is a disinfecting spray that kills bacteria, viruses, and fungi without harsh chemicals like alcohol or bleach. It is approved by the EPA and is listed on the CDC website as being effective against the COVID-19 virus. More info is available on their website at <https://cleargear.com>.

After each class we will spray down the equipment and let the spray dry. Classes will be spaced out over the day to allow for this treatment. The front area of the gym will also be treated between each class as well as the bathrooms.

Reopening Classes:

We will start offering a limited number of classes during the day. These classes will be very limited in the number of students and will be spaced out during the day to allow for our enhanced gym hygiene protocols to be followed in-between the classes. (Our previous class schedule is suspended at this time). **Please sign up for classes ahead of time. This allows us to properly schedule our staff.**

As of June 1st, we are strictly going back to monthly tuition.

- The age group will be 4 – 12 years old only at this time. We hope to bring back our Teen Warrior classes within a few weeks.
- Classes will be limited to 1 class per hour with no more than 8 students in each class (6 students for our Jr. Ninja class).
- Students will be asked to bring their own filled water bottle to the class. There will not be access to the water fountains. Your child may also bring a pair of flip flops to use while going in and out of the bathroom. Please limit the number of personal items as cubbies will not be available at this time.

- We recommend parents drop off their ninja(s) and then pick them up after class. Pick up and drop off will be at the front door. A USANC team member will meet you at the door 5 minutes prior to class to check all Ninjas in.
- Our lobby is now open. We are limiting only 1 or 2 family members to stay and watch their Ninja(s).
- Parents are encouraged to follow social distancing guidelines and wear masks for the well-being of their kids, themselves, and others while in our facility.
- Upon arrival each student will have to wash their hands or apply hand sanitizer that we will provide.
- If parents wish for their child to wear PPE such as protective masks, we support and allow that.
- We will be focusing on getting kids physically active and boosting their confidence while having fun!

Coaches/Staff:

To reduce the number of people that your ninja will be exposed to, our lobby will be closed during class times. We recommend drop off/pick up until further notice.

All USANC Staff will be screened at arrival for fever, cough, and difficulty breathing. Anyone with a fever will not be allowed in the facility, along with any other illness symptoms. All staff members are to wear appropriate masks and wash their hands at arrival as well as several times throughout the day.

How to sign up for the Reopening Classes:

Please call to enroll your child ahead of time for the day and time of your choice. We will only have 8 spots available per class and will not be taking walk-ins. Classes are based on a first come, first serve basis.

Reopening Class Tuition:

Starting June 1st, we will be strictly be going back to our monthly tuition. The rate will be \$65 for once a week, \$120 for twice a week, from June 1, 2020 to August 31, 2020.

If there are punches left on your punch card when we resume our normal monthly class schedule, we will either convert the unused punches to an account credit that you can use for your monthly tuition, camps or pro shop items or you can use them before July 1st on classes.

Your class spot is not held until you enroll into a class.

Make-up Classes:

If you have make-up classes from March, you may make them up on Saturday's at 12:30PM. Please sign up for classes ahead of time.

Parties and Events:

Parties and Events will be limited to 10 kids in the gym and a limited amount of people in the lobby.

If you are not comfortable coming back at this time, your credit for March classes will remain in your account for future tuition, summer camps, or pro-shop items.

We appreciate our ninjas and their families. It is our goal, by offering these limited classes, it will help the community to be able to move forward while keeping kids mentally and physically active. If you have any questions, or need more information please call us 385-425-3099, email us at murray@usaninjachallenge.com, or visit our website at ninjamurray.com. We hope to see you all soon!
